"A Room of Her Own" at Lu Magnus Art Laboratory and Salon, 55 Hester Street, through June 19, lumagnus.com

Although it's the smaller of the exhibitions up right now featuring work exclusively by women, "A Room of Her Own" at Lu Magnus on the Lower East Side is truly one not to be missed. Curated by artist Natalie Frank and gallery co-owner Amelia Abdullahtsani, the show focuses on works on paper by women that depict women (although not exclusively). The impressive line-up includes Frank, Hilary Harkness, Emily Noelle Lambert, Paula Rego, Dasha Shishkin, Eve Sussman, and Mickalene Thomas.
